[A Brit on the Side](#) Feb 03 2021 How do you tell your best friend you had the best sex of your life with her brother in short-term parking? Short answer - you don't. I probably should have declined my bestie's invitation to spend the summer in England working at her family's castle-turned-hotel. But, dammit, it was either that or teach summer school math. Two doors down from my ex. Obvious choice, right? Except now I'm living within kissing distance of Jasper for the entire summer, and he's just as sweet and sexy as I remember. Unfortunately, I also remember he gave me the best orgasm of my life in short-term parking. And on the desk chair. Then the kitchen counter. Judging by the way he kisses me, he remembers too. Clearly, the best solution is: a) Avoid him at all costs. b) Sneak into Jasper's room and bring a little Atlanta heat to the UK. c) Fall for him. Hard. I'm not going to choose C. Almost definitely. Keywords: best friend's sibling romance, steamy contemporary romance, romantic comedy, romance set in England, second chance romance, happily ever after, love books, complete romance novel, no cliffhangers, sexually romantic book, guaranteed HEA

[A Space on the Side of the Road](#) Jul 11 2021 A Space on the Side of the Road vividly evokes an "other" America that survives precariously among the ruins of the West Virginia coal camps and "hollers." To Kathleen Stewart, this particular "other" exists as an excluded subtext to the American narrative of capitalism, modernization, materialism, and democracy. In towns like Amigo, Red Jacket, Helen, Odd, Viper, Decoy, and Twilight, men and women "just settin'" track a dense social imaginary through stories of traumas, apparitions, encounters, and eccentricities. Stewart explores how this rhythmic, dramatic, and complicated storytelling imbues everyday life in the hills and forms a cultural poetics. Alternating her own ruminations on language, culture, and politics with continuous accounts of "just talk," Stewart propels us into the intensity of this nervous, surreal "space on the side of the road." It is a space that gives us a glimpse into a breach in American society itself, where graveyards of junked cars and piles of other trashed objects endure along with the memories that haunt those who have been left behind by "progress." Like James Agee's portrayal of the poverty-stricken tenant farmers of the Depression South in Let Us Now Praise Famous Men, this book uses both language and photographs to help readers encounter a fragmented and betrayed community, one "occupied" by schoolteachers, doctors, social workers, and other professionals representing an "official" America. Holding at bay any attempts at definitive, social scientific analysis, Stewart has concocted a new sort of ethnographic writing that conveys the immediacy, density, texture, and materiality of the coal camps. A Space on the Side of the Road finally bridges the gap between anthropology and cultural studies and provides us with a brilliant and challenging experiment in thinking and writing about "America."

[The Other Side of Terror](#) Jul 31 2020 Reveals the troubling intimacy between Black women and the making of US global power The year 1968 marked both the height of the worldwide Black liberation struggle and a turning point for the global reach of American power, which was built on the counterinsurgency honed on Black and other oppressed populations at home. The next five decades saw the consolidation of the culture of the American empire through what Erica R. Edwards calls the "imperial grammars of blackness." This is a story of state power at its most devious and most absurd, and, at the same time, a literary history of Black feminist radicalism at its most trenchant. Edwards reveals how the long war on terror, beginning with the late-Cold War campaign against organizations like the Black Panther Party for Self-Defense and the Black Liberation Army, has relied on the labor and the fantasies of Black women to justify the imperial spread of capitalism. Black feminist writers not only understood that this would demand a shift in racial gendered power, but crafted ways of surviving it. The Other Side of Terror offers an interdisciplinary Black feminist analysis of militarism, security, policing, diversity, representation, intersectionality, and resistance, while discussing a wide array of literary and cultural texts, from the unpublished work of Black radical feminist June Jordan to the memoirs of Condoleezza Rice to the television series Scandal. With clear, moving prose, Edwards chronicles Black feminist organizing and writing on "the other side of terror",

which tracked changes in racial power, transformed African American literature and Black studies, and predicted the crises of our current era with unsettling accuracy.

By Your Side Mar 31 2023 An irresistible story from Kasie West that explores the timeless question: What do you do when you fall for the person you least expect? When Autumn Collins finds herself accidentally locked in the library for an entire weekend, she doesn't think things could get any worse. But that's before she realizes that Dax Miller is locked in with her. Autumn doesn't know much about Dax except that he's trouble. Between the rumors about the fight he was in (and that brief stint in juvie that followed it) and his reputation as a loner, he's not exactly the ideal person to be stuck with. Still, she just keeps reminding herself that it is only a matter of time before Jeff, her almost-boyfriend, realizes he left her in the library and comes to rescue her. Only he doesn't come. No one does. Instead it becomes clear that Autumn is going to have to spend the next couple of days living off vending-machine food and making conversation with a boy who clearly wants nothing to do with her. Except there is more to Dax than meets the eye. As he and Autumn at first grudgingly, and then not so grudgingly, open up to each other, Autumn is struck by their surprising connection. But can their feelings for each other survive once the weekend is over and Autumn's old life, and old love interest, threaten to pull her from Dax's side?

The Flip Side of Free Dec 04 2020 Why "free" comes at a price: the costs of free internet services in terms of privacy, cybersecurity, and the growing market power of technology giants. The upside of the internet is free Wi-Fi at Starbucks, Facetime over long distances, and nearly unlimited data for downloading or streaming. The downside is that our data goes to companies that use it to make money, our financial information is exposed to hackers, and the market power of technology companies continues to increase. In *The Flip Side of Free*, Michael Kende shows that free internet comes at a price. We're beginning to realize this. Our all-purpose techno-caveat is "I love my smart speaker...but"--is it really tracking everything I do? listening to everything I say?

Eating on the Wild Side Dec 28 2022 The next stage in the food revolution: a radical way to select fruits and vegetables and reclaim the flavor and nutrients we've lost. Ever since farmers first planted seeds 10,000 years ago, humans have been destroying the nutritional value of their fruits and vegetables. Unwittingly, we've been selecting plants that are high in starch and sugar and low in vitamins, minerals, fiber, and antioxidants for more than 400 generations. Eating on the Wild Side reveals the solution -- choosing modern varieties that approach the nutritional content of wild plants but that also please the modern palate. Jo Robinson explains that many of these newly identified varieties can be found in supermarkets and farmer's market, and introduces simple, scientifically proven methods of preparation that enhance their flavor and nutrition. Based on years of scientific research and filled with food history and practical advice, Eating on the Wild Side will forever change the way we think about food.

A Bit on the Side Oct 26 2022 A Bit on the Side - Twelve remarkable stories by the master storyteller William Trevor 'Compassionate, poignant, even heart-rending. Almost perfect works of art by perhaps the greatest short story writer now working in English' Sunday Independent William Trevor is truly a Chekhov for our age. In these twelve stories, a waiter divulges a shocking life of crime to his ex-wife; a woman repeats the story of her parents' unstable marriage after a horrible tragedy; a schoolgirl regrets gossiping about the cuckolded man who tutors her; and, in the volume's title story, a middle-aged accountant offers his reasons for ending a love affair. At the heart of this stunning collection is Trevor's characteristic tenderness and unflinching eye for both the humanizing and dehumanizing aspects of modern urban and rural life. If you enjoyed The Story of Lucy Gault and Love and Summer, you will love this book. It will also be adored by readers of Colm Toibin, George Saunders and James Joyce. 'A treat ... each meditate[s] on the subject of love - adulterous, unspoken, clandestine, sometimes cruel. Whether set in rural Ireland or London, their pages whisper of relished secrets and dreams foolishly clung to' Mail on Sunday William Trevor was born in Mitchelstown, County Cork. He has written eighteen novels and novellas, and hundreds of short stories, for which he has won a number of prizes including the Hawthornden Prize, the Yorkshire Post Book of the Year Award, the Whitbread Book of the Year Award and the David Cohen Literature Prize in recognition of a lifetime's literary achievement. In 2002 he was knighted for his services to literature. His books in Penguin are: After Rain; A Bit on the Side; Bodily Secrets; Cheating at Canasta; The Children of Dynmouth; The Collected Stories (Volumes One and Two); Death in Summer; Felicia's Journey; Fools of Fortune; The Hill Bachelors; Love and Summer; The Mark-2 Wife; Selected Stories; The Story of Lucy Gault and Two Lives.
