Summer turns to fall, school begins, Halloween comes, then Thanksgiving. Finally, Grandma announces she's coming to visit--with the afghan. Sarah's wait is almost over. But there's still one thing left to do... Harriet Ziefert still owns the afghan, knitted by her own grandmother, that inspired this loving tale. Harriet Tubman Oct 31 2020 A New York Times Outstanding Book for young adult readers, this biography of the famed Underground Railroad abolitionist is a lesson in valor and justice. Born into slavery, Harriet Tubman knew the thirst for freedom. Inspired by rumors of an "underground railroad" that carried slaves to liberation, she dreamed of escaping the nightmarish existence of the Southern plantations and choosing a life of her own making. But after she finally did escape, Tubman made a decision born of profound courage and moral conviction: to go back and help those she'd left behind. As an activist on the Underground Railroad, a series of safe houses running from South to North and eventually into Canada, Tubman delivered more than three hundred souls to freedom. She became an insidious threat to the Southern establishment—and a symbol of hope to slaves everywhere. In this "well-written and moving life of the 'Moses of her people'" (The Horn Book), an acclaimed author makes vivid and accessible the life of a national hero, soon to be immortalized on the twenty-dollar bill. This intimate portrait follows Tubman on her journey from bondage to freedom, from childhood to the frontlines of the abolition movement and even the Civil War. In addition to being named a New York Times Outstanding Book, *Harriet Tubman: Conductor on the Underground Railroad* was also selected as an American Library Association Notable Book.

Freedom in Congo Square Jun 07 2021 Chosen as a New York Times Best Illustrated Book of 2016, this poetic, nonfiction story about a little-known

piece of African American history captures a human's capacity to find hope and joy in difficult circumstances and demonstrates how New Orleans' Congo Square was truly freedom's heart. Mondays, there were hogs to slop, mules to train, and logs to chop. Slavery was no ways fair. Six more days to Congo Square. As slaves relentlessly toiled in an unjust system in 19th century Louisiana, they all counted down the days until Sunday, when at least for half a day they were briefly able to congregate in Congo Square in New Orleans. Here they were free to set up an open market, sing, dance, and play music. They were free to forget their cares, their struggles, and their oppression. This story chronicles slaves' duties each day, from chopping logs on Mondays to baking bread on Wednesdays to plucking hens on Saturday, and builds to the freedom of Sundays and the special experience of an afternoon spent in Congo Square. This book will have a forward from Freddi Williams Evans (freddievans.com), a historian and Congo Square expert, as well as a glossary of terms with pronunciations and definitions. Overground Railroad Jul 28 2020 A window into a child's experience of the Great Migration from the award-winning creators of *Before She Was Harriet* and *Finding Langston*. As she climbs aboard the New York bound Silver Meteor train, Ruth Ellen embarks upon a journey toward a new life up North-- one she can't begin to imagine. Stop by stop, the perceptive young narrator tells her journey in poems, leaving behind the cotton fields and distant Blue Ridge mountains. Each leg of the trip brings new revelations as scenes out the window of folks working in fields give way to the Delaware River, the curtain that separates the colored car is removed, and glimpses of the freedom and opportunity the family hopes to find come into view. As they travel, Ruth Ellen reads from *Narrative of the Life of Frederick Douglass*, reflecting on how her journey mirrors her own-- until finally the train arrives at its last stop, New York's Penn Station, and the family heads out into a night filled with bright lights, glimmering stars, and new possibility. James Ransome's mixed-media illustrations are full of bold color and texture, bringing Ruth Ellen's journey to life, from sprawling cotton fields to cramped train cars, the wary glances of other passengers and the dark forest through which Frederick Douglass traveled towards freedom. *Overground Railroad* is, as Lesa notes, a story "of people who were running from and running to at the same time," and it's a story that will stay with readers long after the final pages. Hard Questions, Heart Answers Jun 26 2020 Bernice King, the youngest daughter of Martin Luther King, Jr., and Coretta Scott King, is an ordained minister, an attorney, and one of this country's most admired speakers. As this remarkable collection of her sermons and speeches makes clear, she shares with her father a rare gift for oratory and the wisdom and compassion to inspire others. The collection begins with words designed to "disturb the comfortable." Tackling such controversial subjects as our disaffected youth, gun control, and the death penalty, King paints a compelling picture of the spiritual decay and deep-seated racism that infects our society. In the second part of the book, a selection of sermons focusing on "comforting the disturbed," King's belief in the power of faith to restore our communities, morally and spiritually, rings forth. The church, she asserts, must return to its helping and healing mission, and each of us, looking into our hearts, must put aside our differences and remember that each human life is precious.

My Story, My Dance Nov 12 2021 "In James E. Ransome's realistic pastel portraits, Battle, his family, and his teachers all seem lit from within." --The New York Times Book Review A boy discovers his passion for dance and becomes a modern hero in this inspiring picture book biography of Robert Battle, artistic director of the Alvin Ailey American Dance Theater. When Robert Battle was a boy wearing leg braces, he never dreamed he'd study at Juilliard. Though most dancers begin training at an early age, it wasn't until Robert was a teenager that his appreciation for movement--first from martial arts, then for ballet--became his passion. But support from his family and teachers paired with his desire and determination made it possible for Robert to excel. After years of hard work, the young man who was so inspired by a performance of Alvin Ailey's *Revelations* became the artistic director of the very company that motivated him. Today, under Robert's leadership, Alvin Ailey continues to represent the African American spirit through dance. Featuring illustrations brimming with vibrant color and swirling motion, this biographical picture book from husband-and-wife team James Ransome and Lisa Cline-Ransome includes a foreword from Robert Battle himself as well as a bibliography, suggested further reading, and an author's note.
