To what sect and for some of us, will you be the only wife? Regardless of whether you are on a time limit or not this book seeks to collate all the questions we think of and forget to ask our potential Muslim spouse. A practical manual in how to meet the needs of Muslim clients, the book explains basic concepts of Islamic Family Law and how the English legal system can be used to satisfy the diverse needs of Muslim clients The Book Of Remembrances [Kitab al-Adhkar] - By Imam Yahya ibn Sharaf an-Nawawi Kitab al-Adhkar is the definitive compilation of words of remembrance and glorification of (dhikr), and supplicatory prayer to (du'a), the Lord of the Universe, as related from His final Emissary, the Prophet Muhammad (may Allah bless and exalt him). Dhikr and du'a lie at the very heart of the din, the relationship between creature and Creator. As part of the Sunna or Prophetic Way, they are a divinely appointed means of approaching Allah Most High for all our needs, and of making use of all the moments of daily life to strengthen our tawhid, the existential and cognitive Unity that is the hallmark of Muslim spirituality. Also covered are the vital principles of speaking only what is good and avoiding the sins of the tongue. The author, Muhy al-Din Yahya ibn Sharaf al-Nawawi (631-676/123-1277) devoted his entire life to the pursuit of sacred knowledge. He is revered throughout the Sunni world as one of its greatest authorities. Among his most famous writings are the Arba'in, a collection of forty Hadiths; a commentary on the Sahih of Imam Muslim; and Kitab al-Adhkar. Designed as a reference guide and a source of inspiration, this volume presents a clear and elegant English translation of Imam al-Nawawi's classic, together with the text of every single prayer and invocation, both in Arabic letters and in romanisation. Also included are all the authors statements about those Hadiths which he related personally from his own teachers, and his guidance on the correct spelling and meanings of rare words and names. Finally, al-Nawawi's comments on the sources of Hadiths are supplemented by further scholarly notes. This book suggests to the youth, solutions to only one of the burning problems of the day, marriage, from an Islamic perspective and viewpoint. The learned author, Mr. Ali Akbar Mazaheri, has put in a great deal of hard and sincere endeavour to illustrate Islamic solutions to this aspect of human life, particularly, the innocent youth of today, who are being misguided, confused and perverted by the immoral techno-propaganda of the imperialists, who have their own axe to grind to achieve their selfish and nasty objectives all around the globe. We hope that this useful book will be a guide for the perturbed youth and an answer to a part of

their quest. This book promises to be a valuable resource that couples will turn to for many years both as a refresher and as a reference. Two years ago, I was congratulating a young Muslimah on her engagement. She was thrilled about starting married life and you could see the happiness emanating from her as everyone gave her their best wishes. A few months later, I could tell something was wrong. After some cajoling, she shyly admitted the truth. Her sex life was horrible. In fact, it was fast becoming non-existent. She had been a model Muslimah her entire life. Before marriage, she had never so much as held a non-mahram's hand, let alone become physically intimate with one. She had eagerly looked forward to marriage as a chance to finally indulging in all the physical intimacy she had postponed for the sake of Allah. But it wasn't working. Coming from the medical field, she knew all the relevant biology. She could draw and label all the parts of male and female anatomy. She had taken fiqh classes and knew the legal rulings of menstruation and intercourse. But she didn't know sex. Oh, she knew the mechanics. Insert penis into vagina. Climax. Withdraw. But she didn't know how to make her husband yearn for her in bed. She didn't know what he liked. She didn't even know what she liked! They had begun eagerly but after a few weeks, realized that neither of them was truly enjoying having sex with each other. And so began my impromptu sex skills workshop. I threw at her all the information I'd gathered over years of marriage. Things I'd learned from experience, tidbits I'd gleaned from friends, tips I'd picked up from magazine articles. One thing here, two things there. All those bits had accumulated into a very healthy and robust sex life between me and my husband. I gave her everything, fervently hoping that it would help her in her marital life. A month later, I saw her again. This time she had a gigantic smile on her face. "Please, write this down and share it with other Muslim girls. No one teaches this. We're thrown into marriage and only know the fiqh and the biology." I wrote down everything I told her on a Word document and emailed it to her. She shared it with her friends who were newly married. They shared it with their friends. Before long, word trickled back to me that people were asking me to write a book on the subject. So here it is. Originally published: London: Quilliam Press, 1995. In this award-winning novel, Tharoor has masterfully recast the two-thousand-year-old epic, The Mahabharata, with fictional but highly recognizable events and characters from twentieth-century Indian politics. Nothing is sacred in this deliciously irreverent, witty, and deeply intelligent retelling of modern Indian history and the ancient Indian epic The Mahabharata. Alternately outrageous and instructive, hilarious and moving, it is a dazzling tapestry of prose and verse that satirically, but also poignantly, chronicles the struggle for Indian freedom and independence. A selection of beautiful and practical pieces of advice from the Quran, the Prophet PBUH and Islam's great scholars on repentance, guidance and purification. This book is designed to serve as a source of hope and strength for those going through difficult times, while providing numerous important pieces of knowledge and guidance for all readers and all times. Aimed at boys aged 11 onwards, this book provides advice on life in general, from Islam and friends, school and home, as well as physical changes.
