Be a renegade for the true Jesus. 2020 Center for Biblical Studies Finalist for Biblical Theology The truth about demons is far stranger--and even more fascinating--than what's commonly believed. Are

demons real? Are they red creatures with goatees holding pitchforks and sitting on people's shoulders while whispering bad things? Did a third of the angels really rebel with Satan? Are demons and "principalities and powers" just terms for the same entities, or are they different members of the kingdom of darkness? Is the world a chaotic mess because of what happened in Eden, or is there more to the story of evil? What people believed about evil spiritual forces in ancient biblical times is often very different than what people have been led to believe about them today. And this ancient worldview is missing from most attempts to treat the topic. In *Demons*, Michael Heiser debunks popular presuppositions about the very real powers of darkness. Rather than traditions, stories, speculations, or myths, *Demons* is grounded in what ancient people of both the Old and New Testament eras believed about evil spiritual forces and in what the Bible actually says. You'll come away with a sound, biblical understanding of demons, supernatural rebellion, evil spirits, and spiritual warfare. The good news of the Kingdom of God is here and now. Includes Bonus Content not included in the print edition!

Unlikely tales are the most fun to tell. The long strange trip Eddie DeGarmo has experienced over a half century in the music business is full of such stories. From playing keyboards at 10 years old in his first 1960s Memphis rock and roll band in the shadow of Graceland and Johnny Cash, to his own massive tours filling auditoriums and stadiums around the world with DeGarmo and Key, one of the first Christian Rock bands. He successfully transitioned from his pioneering artist career to accomplished music executive co-founding trendsetting Forefront Records and discovered many ground breaking artists. Eddie then ascended to his role as president of the largest and most successful Gospel and Christian music publisher in the world, Capitol CMG Publishing. DeGarmo's ride has been one for the ages. He has embraced the changes life sent his way. He has shifted gears, changed the key, and kept rocking. Along the way, you will be inspired, motivated, laugh out loud, and maybe even be a

little challenged in your walk of faith and life. SECRETS OF THE JOURNEY, Volume 6 Now You Can Learn Answers To Questions On Life's Journey! 15 Health Keys / 7 Facts You Should Know When Listening To Others / 4 Benefits of Becoming An Expert on The Word of God. Order This Book of Solutions Today! An Excellent Travel Companion. Every year, we say we're going to cut back, simplify, and have a family Christmas that focuses on the real reason for the season—Jesus. But every year, advertisements beckon, the children plead, and it seems easier just to indulge our wants and whims. Overspending, overeating, materialism, and busyness rob us of our peace and joy and rob Jesus of his rightful role as the center of our celebration. This Christmas, cut through the hype that leaves you exhausted and broke at the end of the year. Instead, experience the peace of knowing that God is truly with us, the joy of giving sacrificially, and the love of a Savior who gave everything he had for us. In five short, engaging chapters, Pastor Mike Slaughter inspires readers to approach Christmas differently, and be transformed in the process. The Holy Book of Adolf Hitler could be described as Mein Kampf Volume Two. As such it should be bookshelf companion to the former Fuhrer's account, Mein Kampf. Why does the persona of this great Austrian-German reformer, revolutionary and social redeemer continue to grow in stature throughout the world? Mainstream media hysterically pillories Adolf Hitler and the Reich. This hardly dents the former German leader's mythos. His universal appeals appears to be unstoppable In fact, few people see Adolf Hitler in the same light as they do Winston Churchill, Josef Stalin or F D R Roosevelt. In Hitler they see the odyssey of David and Goliath. In this epic, David fights to the death three Goliaths; the British, American and Soviet Empires. He emerges victorious from the ashes of their holocaust. There has to be a spiritual significance to explain the enduring appeal of a man who, from the most humble beginnings, reached and maintained the stature of Jesus Christ. Like the Great Redeemer, regardless of how many curses

are placed on his head, like the phoenix rising from the ashes, he still today influences global world events. It seems the Fuhrer refuses to die because for the peoples of the world he lives. To live in the hearts of those you leave behind is not to die. 'Through the lens of neuroscience, McHargue makes his case for valuing religion not for its factual explanatory power but rather for its ability to give meaning to human existence . . . For those who fear science will rob them of both God and Christian community, this work may offer much-needed hope that Christianity and science can coexist.' - Publishers Weekly 'I thoroughly recommend this book. It is written with humility, honesty and a liberal sprinkling of humour ... not only thought-provoking, but also a jolly good read ... A review does not do it justice, so I suggest you read the book!' - Methodist Recorder

What do you do when God dies? It's a question facing millions today, as science reveals a universe that's self-creating, western culture departs from its Christian heritage and the idea of God begins to seem implausible at best and barbaric at worst. Mike McHargue understands the pain of unravelling belief. In *Finding God in the Waves*, Mike tells the story of how his evangelical faith dissolved into atheism as he studied the Bible, a crisis that threatened his identity, his friendships and even his marriage. Years later, Mike was standing on the shores of the Pacific Ocean when a bewildering, seemingly mystical moment motivated him to take another look. But this time, it wasn't theology or scripture that led him back to God - it was science. In *Finding God in the Waves*, 'Science Mike' draws on his personal experience to tell the unlikely story of how science led him back to faith. Among other revelations, we learn what brain scans reveal about what happens when we pray; how fundamentalism affects the psyche; and how God is revealed not only in scripture, but in the night sky, in subatomic particles, and in us. For the faithful and sceptic alike, *Finding God in the Waves* is a powerful, page-turning read about belonging, life's biggest questions, and the hope of knowing God in an age of science. Central to the

Christian faith is a man who denies all our pre-conceived notions about what God should look like. Joining his movement will mean coming to terms with the real Jesus, the rebel Jesus. Jesus didn't come to start a religion. The rebel Jesus came with a renegade gospel to start a revolution. You and I are invited to be apart. In *Renegade Gospel*, pastor and author Mike Slaughter presents Jesus and his challenging message to inspire us during Lent, Easter, and through the year. Read the red letters and discover Jesus all over again. *Renegade Gospel* is a multi-component, all-church series. When Brian McLaren began offering an alternative vision of Christian faith and life in books such as *A New Kind of Christian* and *A Generous Orthodoxy*, he ignited a firestorm of praise and condemnation that continues to spread across the religious landscape. To some religious conservatives, McLaren is a dangerous rebel without a doctrinally-correct cause. Some fundamentalist websites have even claimed he's in league with the devil and have consigned him to flames. To others though, Brian is a fresh voice, a welcome antidote to the staleness, superficiality, and negativity of the religious status quo. A wide array of people from Evangelical, Catholic, and Mainline Protestant backgrounds claim that through his books they have begun to rediscover the faith they'd lost or rejected. And around the world, many readers say that he has helped them find—for the first time in their lives—a faith that makes sense and rings true. For many, he articulates the promise of what is being called "emerging Christianity." In *The Secret Message of Jesus* you'll find what's at the center of Brian's critique of conventional Christianity, and what's at the heart of his expanding vision. In the process, you'll meet a Jesus who may be altogether new to you, a Jesus who is... Not the crusading conqueror of religious broadcasting; Not the religious mascot of partisan religion; Not heaven's ticket-checker, whose words have been commandeered by the church to include and exclude, judge and stigmatize, pacify and domesticate. McLaren invites you to discover afresh the transforming message of Jesus—an open

invitation to radical change, an enlightening revelation that exposes sham and ignites hope, an epic story that is good news for everyone, whatever their gender, race, class, politics, or religion. "Pastor and best-selling author McLaren revisits the gospel material from a fresh-and at times radical-perspective . . . He does an excellent job of capturing Jesus' quiet, revolutionary style." --Publishers Weekly (starred review) "Here McLaren shares his own ferocious journey in pondering the teachings and actions of Jesus. It is McLaren's lack of salesmanship or agenda that creates a refreshing picture of the man from Galilee who changed history." --Donald Miller, Author of Blue Like Jazz "In this critical book, Brian challenges us to ask what it would mean to truly live the message of Jesus today, and thus to risk turning everything upside down." --Jim Wallis, Author of God's Politics and editor of Sojourners "Compelling, crucial and liberating: a book for those who seek to experience the blessed heat of Christianity at its source." --Anne Rice, Author of Christ the Lord: Out of Egypt During the 2014-15 season Australia stages the eleventh ICC World Cup of Cricket, with fourteen nations competing in 49 fifty-over matches. At the same time the Bradman Museum, a monument to the greatest cricketer of all time, celebrates its 25th anniversary. To mark that milestone at a time when the eyes of the cricketing world will be on Australia, this book reveals for the first time in print the founding treasure of the Bradman Museum: the Don's personal collection of 35-mm slides. With Bradman's typed commentary and handwritten amendments alongside, the slides showcase the history of cricket, from its agrarian beginnings in England to its status as a game of Empire, fit for introduction to the colonies. Grace, Hobbs, Hendren, Larwood, O'Reilly, McCabe, Lindwall, Trueman - on these legends and many more Bradman gives us his opinion with characteristic directness. We gain insight into the game as he saw it in all its magic. While Bradman's personal slide collection forms the centrepiece of this stunning collection, the work of three of cricket's greatest photographers

are also featured. Among Bruce Postle's black and white photos from the 1960s and 70s are iconic shots that will thrill any cricket lover. Vivian Jenkins' work brings to life the drama of the 1970s and World Series Cricket, while Philip Brown's camera ranges across international cricket up to the present day. This treasure trove of cricket is woven seamlessly together by the matchless commentary of Mike Coward, one of Australia's most acclaimed experts. The good news of the Kingdom of God is here and now. Explores the origins and development of rap music. For a basic introduction to anti-Semitism past and present, the first place to turn is now Rabbi Evan Moffic's *First the Jews*." --Dr. Jonathan D. Sarna, Celebrated Author and Chief Historian of National Museum of American Jewish History "Rabbi Moffic has written a book every Christian should read. An essential guide to making sense of the painful history and present reality of anti-Semitism. This is a truly important book." —Adam Hamilton, Senior Pastor, The United Methodist Church of the Resurrection "How far the institutional church has strayed from following the rebel-rabbi Jesus! Evan shines light on the need for Christian and Jewish brothers and sisters to come together against this rising tide of hate." —Michael Slaughter, author, speaker, pastor emeritus of Ginghamburg Church Are we in danger of experiencing another Holocaust? News reports of and statistics about defaced synagogues and death threats against community centers are on the rise around the world. A rise in anti-Semitism from the right side of the political spectrum has been accompanied by a different kind of anti-Semitism from parts of the left revolving around the state of Israel. Rabbi Evan Moffic provides a compelling discussion to help Christians understand this dangerous rise by working to address tough questions including: Why have Jews been the object of the most enduring and universal hatred in history? What is different between anti-Semitism in the past versus today's culture? How, and in what forms, may it be carried out in the future? Focusing on the events since September 11, 2001, Rabbi Evan Moffic considers the twenty-

first century anti-Semitism and the historical pattern of discrimination to other groups that often follows new waves of discrimination against Jewish communities. With a hopeful and collaborative tone, he suggests actions for all people of faith to combat words and actions of hate while lifting up practical ways Christians and Jews can work together. First the Jews offers new insights and unparalleled perspectives on some of the most recent, pressing developments in the contemporary world. Includes chapter responses from Amy-Jill Levine, Mike Slaughter, Justine Coleman, and Imam Hassan Selim. Visit www.AbingdonPress.com/Moffic to download the Study Guide for First the Jews. Product Features: Encouragement and calls to action from leading Christian voices close out each chapter. Helps Christians to recognize and react to anti-Semitism. Offers a look back at the recent surge of anti-Semitic incidents. Outlines the role Christians can play in encouraging positive change in interfaith relations. Provides examples of positive change to encourage future efforts. Shares insights from a Jewish perspective written for Christians. The Jefferson Bible, or The Life and Morals of Jesus of Nazareth as it is formally titled, was a book constructed by Thomas Jefferson in the latter years of his life by cutting and pasting numerous sections from various Bibles as extractions of the doctrine of Jesus. Jefferson's composition excluded sections of the New Testament containing supernatural aspects as well as perceived misinterpretations he believed had been added by the Four Evangelists. In 1895, the Smithsonian Institution under the leadership of librarian Cyrus Adler purchased the original Jefferson Bible from Jefferson's great-granddaughter Carolina Randolph for \$400. A conservation effort commencing in 2009, in partnership with the museum's Political History department, allowed for a public unveiling in an exhibit open from November 11, 2011, through May 28, 2012, at the National Museum of American History. Explores cities as the origin of revolutionary politics, where social and political issues are always at the surface, using examples from such cities as New York City and

Mumbai to examine how they can be better ecologically reorganized. "The first serious examination of Buchanan's body of work, addresses themes such as the end of suburbia, the rebel outsider, the oppressive establishment, the curse of fame, and creatures of destruction. Information on some of the unfinished, unreleased, deliberately destroyed projects is offered, as well. Photographs illustrating nearly all the films are included"--Provided by publisher. Everyone is on a spiritual journey. It begins at birth and ends when life ends. "No Coincidence Coffee" is the story of one man's spiritual journey and how it changed his life. It's a very real-to-life kind of story that includes heartbreak, humor, and genuine thoughtfulness about some of the most important issues of life - including death.! "No Coincidence Coffee" is a short novel that will engage your mind and your emotions, and help you think more clearly about your own spiritual journey. "A fable satirizing Spenser's 'The Fairie Queen' and reflecting the real life of Elizabeth I, tells of a woman who ascends to the throne upon the death of her debauched and corrupted father, King Hern. Gloriana's reign brings the Empire of Albion into a Golden Age, but her oppressive responsibilities choke her, prohibiting any form of sexual satisfaction, no matter what fetish she tries. Her problem is in fact symbolic of the hypocrisy of her entire court. While her life is meant to mirror that of her nation - an image of purity, virtue, enlightenment and prosperity - the truth is that her peaceful empire is kept secure by her wicked chancellor Monfallcon and his corrupt network of spies and murderers, the most sinister of whom is Captain Quire, who is commissioned to seduce Gloriana and thus bring down Albion and the entire empire." -- Goodreads.com. An appealing, small format book to introduce children to the Easter story. The retelling is very simple and straightforward, easy to understand and remember. The real Jesus was a rebel, a radical, and a revolutionary. Contrary to conservative Christian narratives today, the rebel Christ wasn't about judgment but forgiveness, not about rejection but inclusion. Michael Coren reveals

what the real Jesus would say about the hot-button issues dividing Christians. Jesus didn't come to start a religion. The rebel Jesus came with a renegade gospel to start a revolution. You and I are invited to be a part. In *Renegade Gospel*, pastor and author Mike Slaughter presents Jesus and his challenging message to inspire us during Lent, Easter, and through the year. Read the red letters and discover Jesus all over again. This Leader Guide contains everything needed to guide a group through the book and DVD. It includes session plans and discussion questions, as well as format options. Over a period of six months, God led us on a prayer journey that took us to several different parts of Ireland. We learnt that throughout Irish history, religion has made Ireland sick! It consistently made false claims in order to gain authority and once that authority was established, it burdened the people with man-made rules that were far from God's will for us as a nation. In the year 561, it helped to divide Ireland into two parts, centuries before the English ever came to conquer. As we stubbornly continued to submit to it, it resulted in Ireland being handed over to be conquered by the Anglo-Normans in 1155. Over the following centuries, religion continued to give away more and more of our inheritance. Religion even stirred the hearts of Irish people to rebel against God and His punishment came through our oppressors. There were massacres and our women and children were even taken into slavery. Then, as the Protestant Ascendancy rose up through the oppression of others, it brought judgement once again, because their hearts were full of pride. Finally religion brought us into a spiritual famine that has remained until this day. I believe that this is the fulfilment of every curse listed in the Bible for nations who act in disobedience to God. However Jesus, our Redeemer, has a plan that will set Ireland free and restore our inheritance. He wants us to recover both our land and our people. All we have to do is follow Him. Indeed, during our six-month journey, we followed Him as He led us from place to place in order to pray and to make declarations. We experienced miracles with doors opening that had

previously been shut. He made a way for us through the Irish weather and gave us the provision of time and finance necessary to complete our journey. We knew that God was with us as we travelled and prayed and we saw Him pulling up the ancient man-made religious roots from all over the country and casting them into the ocean. That is our testimony. Yet as God's chosen one, you the reader must also tear out man-made religion from your own heart, turn back to God and follow Him afresh once again. With God's help we can do it together and receive an even greater inheritance - the right to walk with God and be His people. When Martin Luther published his 95 Theses in October 1517, he had no intention of starting a revolution. But very quickly his criticism of indulgences became a rejection of the papacy and the Catholic Church emphasizing the Bible as the sole authority for Christian faith, radicalizing a continent, fracturing the Holy Roman Empire, and dividing Western civilization in ways Luther—a deeply devout professor and spiritually-anxious Augustinian friar—could have never foreseen, nor would he have ever endorsed. From Germany to England, Luther's ideas inspired spontaneous but sustained uprisings and insurrections against civic and religious leaders alike, pitted Catholics against Protestants, and because the Reformation movement extended far beyond the man who inspired it, Protestants against Protestants. The ensuing disruptions prompted responses that gave shape to the modern world, and the unintended and unanticipated consequences of the Reformation continue to influence the very communities, religions, and beliefs that surround us today. How Luther inadvertently fractured the Catholic Church and reconfigured Western civilization is at the heart of renowned historian Brad Gregory's *Rebel in the Ranks*. While recasting the portrait of Luther as a deliberate revolutionary, Gregory describes the cultural, political, and intellectual trends that informed him and helped give rise to the Reformation, which led to conflicting interpretations of the Bible, as well as the rise of competing churches, political conflicts, and social upheavals across Europe. Over

the next five hundred years, as Gregory's account shows, these conflicts eventually contributed to further epochal changes—from the Enlightenment and self-determination to moral relativism, modern capitalism, and consumerism, and in a cruel twist to Luther's legacy, the freedom of every man and woman to practice no religion at all. With the scholarship of a world-class historian and the keen eye of a biographer, Gregory offers readers an in-depth portrait of Martin Luther, a reluctant rebel in the ranks, and a detailed examination of the Reformation to explain how the events that transpired five centuries ago still resonate—and influence us—today. Alex North (1910-1991) was one of America's most renowned film composers. His musical scores enhanced more than 60 major motion pictures--A Streetcar Named Desire, Cleopatra and Who's Afraid of Virginia Woolf among them. He had 15 Oscar nominations, and received the Lifetime Achievement Oscar. This book begins with his early life in Pennsylvania, and moves through his studies at Juilliard and in Russia and Mexico, his early experiences in modern dance, documentaries, and theater, and his major work in film. The book also offers analyses of North's musical scores for Streetcar, Spartacus, The Misfits, Under the Volcano, and Prizzi's Honor. Appendices include a bibliography, a filmography, a listing of other North compositions, a discography, and a listing of awards. What exactly is a disciple, and how will we know if we have made one? There are three core values that a disciple embodies: undiluted devotion to the Lordship of Jesus Christ, a Kingdom of God worldview, and a missional lifestyle. In Revolutionary Kingdom: Following the Rebel Jesus, author and Pastor Mike Slaughter explores why we must exchange comfortable cultural worldviews and values for the radical requirements of living out the Kingdom of God on Planet Earth. When God's people get serious about this call, it's revolutionary. Jesus himself was the most radical revolutionary who ever lived and provided us a vision of a kingdom worth dying for. Welcome to the revolution! The Leader Guide contains everything needed to guide a

group through the six-week study including session plans, activities, and discussion questions, as well as multiple format options. What season of life are you in? Each of us goes through periods of life that have a certain character—a few months or a few years, good times or difficult circumstances, times of brilliant joy or periods of dark clouds. Often we say, “It’s just the season of life I’m in.” But did you know that just as God has purposes for the seasons of nature, he also uses seasons in your life to grow you, work with you, and talk to you? Richard Blackaby explains in *The Seasons of God* how understanding the principles of the seasons can offer us hope, direction, insight, and intimacy with God himself. It’s a thoughtful exploration of God’s patterns at work in our lives—how His will is being carried out in the best way...at the best time. Your plans, your relationships, your career, your ministry—all have their unique God-intended moment. God’s Word expresses it this way: “For everything there is a season, and a time for every matter under heaven.” So what’s your season of life? And what is God telling you through the season you’re in? In *The Unseen Realm*, Dr. Michael Heiser examines the ancient context of Scripture, explaining how its supernatural worldview can help us grow in our understanding of God. He illuminates intriguing and amazing passages of the Bible that have been hiding in plain sight. You’ll find yourself engaged in an enthusiastic pursuit of the truth, resulting in a new appreciation for God’s Word. Why wasn’t Eve surprised when the serpent spoke to her? How did descendants of the Nephilim survive the flood? Why did Jacob fuse Yahweh and his Angel together in his prayer? Who are the assembly of divine beings that God presides over? In what way do those beings participate in God’s decisions? Why do Peter and Jude promote belief in imprisoned spirits? Why does Paul describe evil spirits in terms of geographical rulership? Who are the “glorious ones” that even angels dare not rebuke? After reading this book, you may never read your Bible the same way again. Endorsements “There is a world referred to in the Scripture that is quite unseen, but

also quite present and active. Michael Heiser's *The Unseen Realm* seeks to unmask this world. Heiser shows how important it is to understand this world and appreciate how its contribution helps to make sense of Scripture. The book is clear and well done, treating many ideas and themes that often go unseen themselves. With this book, such themes will no longer be neglected, so read it and discover a new realm for reflection about what Scripture teaches." --Darrell L. Bock, Executive Director for Cultural Engagement, Senior Research Professor of New Testament Studies, Howard G. Hendricks Center for Christian Leadership and Cultural Engagement "How was it possible that I had never seen that before?" Dr. Heiser's survey of the complex reality of the supernatural world as the Scriptures portray it covers a subject that is strangely sidestepped. No one is going to agree with everything in his book, but the subject deserves careful study, and so does this book." --John Goldingay, David Allan Hubbard Professor of Old Testament, School of Theology, Fuller Theological Seminary "This is a 'big' book in the best sense of the term. It is big in its scope and in its depth of analysis. Michael Heiser is a scholar who knows Scripture intimately in its ancient cultural context. All--scholars, clergy, and laypeople--who read this profound and accessible book will grow in their understanding of both the Old and New Testaments, particularly as their eyes are opened to the Bible's 'unseen world.'" --Tremper Longman III, Robert H. Gundry Professor of Biblical Studies, Westmont College Be a renegade for the true Jesus. The debut novel by the bestselling author of *THE ESSEX SERPENT* One hot summer's day, John Cole decides to leave his life behind. He shuts up the bookshop no one ever comes to and drives out of London. When his car breaks down and he becomes lost on an isolated road, he goes looking for help, and stumbles into the grounds of a grand but dilapidated house. Its residents welcome him with open arms - but there's more to this strange community than meets the eye. They all know him by name, they've prepared a room for him, and claim to have been waiting for

him all along. Who are these people? And what do they intend for John? Elegant, gently sinister and psychologically complex, *After Me Comes the Flood* is the haunting debut novel by the author of *The Essex Serpent*. After her partner dies suddenly, Lisa Hardrock realizes how little she knows about the life she's been living — and starts exploring her questions in a blog that unexpectedly goes viral. Following the sudden death of her domineering partner, Lisa Hardrock begins to discover how little she really knows about the life she's been living for the last seven years — and the man she was living it with. As she confronts the secrets and unpaid debts her partner left behind, Lisa also begins to investigate the mysteries of her own life by beginning to write. Begun as a journal for her daily thoughts, her blog ends up going viral. Along the way, Lisa discovers the truths and lies about those she has considered friends, learns more about Central Valley motorcycle gangs than she ever thought she needed to know, and unexpectedly ends up with a pantry full of sockeye salmon for her cat, Eloise.

Jesus didn't come to start a religion. The rebel Jesus came with a renegade gospel to start a revolution. You and I are invited to be a part. In *Renegade Gospel*, pastor and author Mike Slaughter presents Jesus and his challenging message to inspire us during Lent, Easter, and through the year. Read the red letters and discover Jesus all over again. This six-session Youth Study is designed for parallel use with the adult and children's studies as part of an all-church program. The study communicates the challenging, revolutionary message of Jesus in terms that are meaningful for youth. Bestselling author Max Lucado explains that if teens let God's grace change them, shape them, and strengthen them, their lives will never be the same. Today's teens are being shaped by the pressures and disappointments of the world. But Max Lucado encourages them to take a close look at what can shape their hearts and their futures from the inside out—God's grace. As Max explains, "God's grace has a drenching about it. A wildness about it. A whitewater, riptide, turn-you-upside-downness about it. Grace comes after

you." Wild Grace gives teens an understanding of how grace can change their lives in powerful ways, even when those lives are messed up, off track, or in trouble. Each chapter describes another miracle that happens when we allow God's grace to work on us and through us: "Grace is God's decision to change everything. Good-bye, earthly labels. Stupid. Unpopular. Ugly. Failure. No longer. You aren't who they say you are. You are who He says you are. Spiritually alive. Connected to God. Amazing." Teens will be convinced that God knew what He was doing when He made them and His grace is always there, ready to work wonders that are bigger than anything this world has to offer. Who Can Put A Price On You Discovering Your Assignment? Explore Wisdom Keys to help you in your journey. Learn...11 Seasons of Preparation / 3 Keys In Understanding Your Anger / 6 Keys For Developing An Obsession For Your Assignment. A Power Book! Have you ever been left in the desert to fight life by yourself, wondering how someone you love could betray you? Did you grow up in a dysfunctional family with abuse of any kind but knew you were destined to do great things? Do you have low self-esteem, were you critical of yourself, or did you think that God is just out to punish you? In this book, real-life experience and circumstances brought me to a place that shook me to the core, tore down all I believed as true, and forced me to rise like a phoenix from the ashes or burn in all the many mistakes. How did I survive extreme abuse of every kind? How did I go from drug addict to college graduate? Do you want to go from a born rebel to a renewed warrior? Read on . . . Watcher is known in the MC community as a man with strong beliefs. His sense of honor has been built in him from childhood, forged in the mountains of Kentucky, rooted there by family and circumstance. In the ever-changing world of outlaws, he's made a place for himself, winning a seat at the table for negotiations and decisions that impact not only his club, but those around him. Powerful men ask for his counsel, revealing a trust and respect that can only be earned. His family loves and supports him,

too, and he protects his wife and children with a fierceness that consumes. Enemies loom on the horizon, because for every man he calls brother, there are those who would take everything from him. Full description: Michael Otey learned early in life that people outside the ranks of family and close friends were not to be trusted. They were the kind of folks who would use you right up, betraying and throwing you away once your usefulness was exhausted. At sixteen, life nearly derailed in a moment of rage, he was presented with two impossible choices. He selected a track, prayed it was the right one, and set foot on the path of honor, because even at such a young age, he knew honor mattered. Almost immediately things started looking up in his life. The Army molded him into a soldier, giving him no choice but to excel. Through years of service, the men in his unit forced him to become a leader, moving him to that role by demonstrating with every action that they believed he was trustworthy. Brothers in arms. That was when death and destruction once again rocked his world, forcing another impossible choice. Pierced through with a thirst for vengeance, raging and alone, he gravitated towards the kind of men who shared his feelings. Hard men, but ones filled with an unshakable sense of honor. Members of a motorcycle club who were not afraid to wreak devastation in support of the found family they shared. The Outriders MC. Brothers in spirit. To escape the ghosts haunting them both, his older brother had launched his own club, filled with veterans and soldiers. His brother's stories about his members set up a longing deep inside him, and Mike found himself reaching towards the forgiveness and peace his brother had found. But, in an atmosphere drowning in blood and hate, peace was hard to find. Determined to start fresh, it wasn't long before Mike, now known as Watcher, followed his brother west, finding a true home as a Southern Soldiers. Brothers in truth. Then, on what should have been a routine run into Old Mexico, Watcher was confronted by both loss and hope. He saved a doe-eyed beauty from a life branded by pain, but in turn lost the last close link to his family. In

her it seemed he found a reason for carrying on, even perhaps a chance at love. As he rebuilt his life, he vowed to keep her safe and the club strong, promising to protect everything that mattered. Brothers. Family. Honor. To do that, Watcher would need to open long-tattered connections to Kentucky, reaching far into his pain-filled past and calling on Davis Mason and the Rebel Wayfarers MC. 18+ due to explicit content. *Please note this book is part of the Rebel Wayfarers MC book series, featuring characters from additional books in the series. If the books are read out of order, you'll twig to spoilers for the other books, so going back to read the skipped titles won't have the same angsty reveals. I strongly recommend you read them in order. Available now: Mica (book #1), Slate (book #2), Bear (book #3), Jase (book #4), Gunny (book #5), Mason (book #6), Hoss (book #7), Duck (book #8), Watcher (book #9), Bones (book #10), Fury (book #11), and Cassie (book #12). New York Times bestselling author and Bible expert Bart Ehrman reveals how Jesus's divinity became dogma in the first few centuries of the early church. The claim at the heart of the Christian faith is that Jesus of Nazareth was, and is, God. But this is not what the original disciples believed during Jesus's lifetime—and it is not what Jesus claimed about himself. How Jesus Became God tells the story of an idea that shaped Christianity, and of the evolution of a belief that looked very different in the fourth century than it did in the first. A master explainer of Christian history, texts, and traditions, Ehrman reveals how an apocalyptic prophet from the backwaters of rural Galilee crucified for crimes against the state came to be thought of as equal with the one God Almighty, Creator of all things. But how did he move from being a Jewish prophet to being God? In a book that took eight years to research and write, Ehrman sketches Jesus's transformation from a human prophet to the Son of God exalted to divine status at his resurrection. Only when some of Jesus's followers had visions of him after his death—alive again—did anyone come to think that he, the prophet from Galilee, had become God.

And what they meant by that was not at all what people mean today. Written for secular historians of religion and believers alike, *How Jesus Became God* will engage anyone interested in the historical developments that led to the affirmation at the heart of Christianity: Jesus was, and is, God. Israel's Divine Healer begins with a study of various Hebrew words on healing. It then explores, within the larger context of the Ancient Near Eastern religions, the roles of medicine, magic, and the physician-priest together with their possible influences upon Israel's beliefs and practices regarding healing.
