*The Starless Sea* Oct 14 2021 NATIONAL BESTSELLER • From the bestselling author of *The Night Circus*, a timeless love story set in a secret underground world—a place of pirates, painters, lovers, liars, and ships that sail upon a starless sea. Zachary Ezra Rawlins is a graduate student in Vermont when he discovers a mysterious book hidden in the stacks. As he turns the pages, entranced by tales of lovelorn prisoners, key collectors, and nameless acolytes, he reads something strange: a story from his own childhood. Bewildered by this inexplicable book and desperate to make sense of how his own life came to be recorded, Zachary uncovers a series of clues—a bee, a key, and a sword—that lead him to a masquerade party in New York, to a secret club, and through a doorway to an ancient library hidden far below the surface of the earth. What Zachary finds in this curious place is more than just a buried home for books and their guardians—it is a place of lost cities and seas, lovers who pass notes under doors and across time, and of stories whispered by the dead. Zachary learns of those who have sacrificed much to protect this realm, relinquishing their sight and their tongues to preserve this archive, and also of those who are intent on its destruction. Together with Mirabel, a fierce, pink-haired protector of the place, and Dorian, a handsome, barefoot man with shifting alliances, Zachary travels the twisting tunnels, darkened stairwells, crowded ballrooms, and sweetly soaked shores of this magical world, discovering his purpose—in both the mysterious book and in his own life.

*Tell Me A Story, Grandad* Dec 04 2020 I wrote *Tell me a Story, Grandad* as a result of telling a few stories to my grandchildren. They liked them and I enjoyed telling them, so writing the stories down in book form was a natural development. I also knew a talented artist who was interested in being involved in the project. *Tell me a Story, Grandad* is a book based in present-day London. There are ten interconnected stories and characters, like 'Bob's House in the Clouds' and 'My Friend with No Name.' All invite you to join them in a place somewhere between reality and the world of the imagination. Each story is illustrated by a picture with a specific colour and, like the stories, they are interlinked. The book is for children aged between four and eight, yet it is also for readers who are much older than this. I hope the book will be read not just by children, but by parents or grandparents as bedtime stories for their children or grandchildren. Hopefully, mums, dads, nans and grandads will add their own imagination and details so that each story becomes theirs as much as mine. I hope you and children everywhere enjoy the stories.

*The Story Grid* Nov 26 2022 WHAT IS THE STORY GRID? The Story Grid is a tool developed by editor Shawn Coyne to analyze stories and provide helpful editorial comments. It's like a CT Scan that takes a photo of the global story and tells the editor or writer what is working, what is not, and what must be done to make what works better and fix what's not. The Story Grid breaks down the component parts of stories to identify the problems. And finding the problems in a story is almost as difficult as the writing of the story itself (maybe even more difficult). The Story Grid is a tool with many applications: 1. It will tell a writer if a Story ?works? or ?doesn't work. 2. It pinpoints story problems but does not emotionally abuse the writer, revealing exactly where a Story (not the person creating the Story/the Story) has failed. 3. It will tell the writer the specific work necessary to fix that Story's problems. 4. It is a tool to re-envision and resuscitate a seemingly irredeemable pile of paper stuck in an attic drawer. 5. It is a tool that can inspire an original creation.

'United by a humane intelligence that speaks very directly to the reader, and makes us experience each story with immediacy and Chiang's calm passion.' CHINA MIÉVILLE

**Lead with a Story** Mar 31 2023 Whether you're trying to communicate a vision, sell an idea, or inspire commitment, storytelling is a powerful business tool that can mean the difference between lackluster enthusiasm and a rallying cry. This how-to guidebook shows readers how powerful stories can help define culture and values, engender creativity and innovation, foster collaboration, build relationships, provide coaching and feedback, and lead change. Procter & Gamble hired Hollywood directors to teach its executives storytelling techniques. Some forward-thinking business schools have even added storytelling courses to their management curriculum. Complete with examples from these and many other high-profile companies, *Lead with a Story* gives readers the guidance they need to spin a narrative to stunning effect.

**The End of the Story** Jan 29 2023 The first and only novel by Lydia Davis, winner of the Man Booker International Prize 2013. 'It surprised me, over and over, to find that I was with such a young man. He was twenty-two when I met him. He turned twenty-three while I knew him, but by the time I turned thirty-five I did not know where he was anymore.' Mislabeled boxes, confusing notes, wrong turnings - such are the obstacles in the way of the unnamed narrator of *The End of the Story* as she organises her memories of a love affair into a novel. With compassion, wit and what seems to be candour, she seeks to determine what she actually knows about herself and her past, but we begin to suspect, along with her, that given the elusiveness of memory and understanding, any tale retrieved from the past must be fiction. Back in print at last, this is Lydia Davis's first - and so far only - novel. 'Extraordinary' *Newsday* 'Brilliant' *New Yorker* 'Breathtakingly elegant' *Details* 'Beautifully written' *Marie Claire* 'Astonishing' *Elle* Lydia Davis is the author of *Collected Stories*, one novel and six short story collections, most recently *Can't and Won't*. She is the recipient of a MacArthur Fellowship and was named an Officer of the Order of Arts and Letters by the French government for her fiction and her translations of modern writers, including Gustave Flaubert and Marcel Proust. She won the Man Booker International Prize in 2013.

The Shipping News Aug 24 2022 Winner of the Pulitzer Prize, Annie Proulx's *The Shipping News* is a vigorous, darkly comic, and at times magical portrait of the contemporary North American family. Quoye, a third-rate newspaper hack, with a "head shaped like a crenshaw, no neck, reddish hair...features as bunched as kissed fingertips," is wrenched violently out of his workaday life when his two-timing wife meets her just desserts. An aunt convinces Quoye and his two emotionally disturbed daughters to return with her to the starkly beautiful coastal landscape of their ancestral home in Newfoundland. Here, on desolate Quoye's Point, in a house empty except for a few mementos of the family's unsavory past, the battered members of three generations try to cobble up new lives. Newfoundland is a country of coast and cove where the mercury rarely rises above

seventy degrees, the local culinary delicacy is cod cheeks, and it's easier to travel by boat and snowmobile than on anything with wheels. In this harsh place of cruel storms, a collapsing fishery, and chronic unemployment, the aunt sets up as a yacht upholsterer in nearby Killick-Claw, and Quoyle finds a job reporting the shipping news for the local weekly, the Gammy Bird (a paper that specializes in sexual-abuse stories and grisly photos of car accidents). As the long winter closes its jaws of ice, each of the Quoyles confronts private demons, reels from catastrophe to minor triumph—in the company of the obsequious Mavis Bangs; Diddy Shovel the strongman; drowned Herald Prowse; cane-twirling Beety; Nutbeem, who steals foreign news from the radio; a demented cousin the aunt refuses to recognize; the much-zippered Alvin Yark; silent Wavey; and old Billy Pretty, with his bag of secrets. By the time of the spring storms Quoyle has learned how to gut cod, to escape from a pickle jar, and to tie a true lover's knot.

When she meets a group of unique, diverse, inspiring women at her mother's diner—members of a women's motorcycle club—Nicky realizes that being different doesn't have to mean being alone, and that there's a place for everyone. Book lovers of all ages will find inspiration in this beautiful love letter to reading—and how words help us find empathy and connections with the world around us.

**House of Leaves** Oct 02 2020 "A novelistic mosaic that simultaneously reads like a thriller and like a strange, dreamlike excursion into the subconscious." —The New York Times Years ago, when House of Leaves was first being passed around, it was nothing more than a badly bundled heap of paper, parts of which would occasionally surface on the Internet. No one could have anticipated the small but devoted following this terrifying story would soon command. Starting with an odd assortment of marginalized youth -- musicians, tattoo artists, programmers, strippers, environmentalists, and adrenaline junkies -- the book eventually made its way into the hands of older generations, who not only found themselves in those strangely arranged pages but also discovered a way back into the lives of their estranged children. Now this astonishing novel is made available in book form, complete with the original colored words, vertical footnotes, and second and third appendices. The story remains unchanged, focusing on a young family that moves into a small home on Ash Tree Lane where they discover something is terribly wrong: their house is bigger on the inside than it is on the outside. Of course, neither Pulitzer Prize-winning photojournalist Will Navidson nor his companion Karen Green was prepared to face the consequences of that impossibility, until the day their two little children wandered off and their voices eerily began to return another story -- of creature darkness, of an ever-growing abyss behind a closet door, and of that unholy growl which soon enough would tear through their walls and consume all their dreams.

How to Tell a Story Jul 11 2021 "Aaron Sorkin, the Oscar-winning director and screenwriter of such hits as The Social Network and The West Wing, recently urged aspiring writers to become students and evangelists for Aristotle's Poetics. How is it that this small and rather obscure treatise by an ancient philosopher better known for metaphysics and ethics has become over the centuries the standard and best handbook for writing drama, novels, short stories, and now screenplays for film and television? How can a book that is admittedly difficult to read have become so influential among the small group of top professional writers? The short answer is that there is nothing better than Aristotle's Poetics for explaining the key points of successful storytelling. No one has examined and explained the keys to plot, character, audience perception, tragic pleasure, and dozens of other crucial points of writing like Aristotle. It is THE standard work from which we derive many of our terms and our understanding the way stories work. It is one of the most powerful and brilliant books ever written on the subject of how to tell a story, yet very few people have actually read it. Part of the reason for this is that Aristotle, even at his clearest, can be difficult to understand. The Poetics in particular can be confusing to read on one's own without a skilled teacher's guidance. Because of this, the Poetics remains the purview of only those who make the effort to work through its careful arguments and astounding insights. And yet. Philip Freeman, thus, aims to produce a faithful yet readable translation along with introduction and commentary of Aristotle's Poetics for a modern audience, especially for aspiring writers who want to follow Sorkin's advice and become immersed in this amazing work"--
