Fanny doesn't want to sound like a brat, but how can she have any fun when she's stuck with boring blind Serena as a roommate? That girl spends ALL her time studying. What a nerd! But there's a reason Serena endlessly studies anatomy: she's got more of it than other girls. When Fanny finds out her roommate's secret, suddenly their college dorm seems much sexier. Will Fanny's self-conscious roomie indulge her lesbian lust? A hot futanari named Mina makes me her slut. Hot futa on female action inside! Don't miss it! She kisses like a woman. She smells like a woman. She loves like a woman. But between her legs? She feels just like a man. She is a futanari, and her passion cannot be tamed. In this collection of four erotic tales, three women and one man are seduced by lovers that straddle two worlds - not only male and female, but carnal and romantic. In "My Futa Doctor," Harper's gynecologist offers a sensual solution to her unique anatomy problem. In "My Nasty Futanari Neighbor," Abby hates the punk girl next door but can't deny her attraction. In "The Futanari's Gigolo," Eddie is hired to satisfy a frosty cougar with a connection to his past. In "Suddenly Futanari," a magic spell transforms Cassie's body...much to her roommate's delight! This bundle includes four previously published books and is 57,000 words. For readers 18 & up. ~~~~~ Excerpt ~~~~~ From "Suddenly Futanari": I grinned. Softer this time, I slid my finger around the rim of her bellybutton. That odd little orifice had teased me for so many weeks, and now I found that its lip was as soft as baby down. "You're so gentle," she whispered. "Do you want me to be rougher?" "No," she said quickly. "No, it's nice. You're so nice?" Her slender fingers cupped my jaw and drew me in for another, tentative kiss. "Why are you so nice to me?" Because I love you, I wanted to say. The words gripped the base of my tongue like the cocked hammer of a gun. I wanted to confess. I wanted to grab her, kiss her harder, squeeze her soft thighs until she whimpered the same. But that would have crossed a line there would be no coming back from. I knew Rebecca wasn't gay. I knew this was comfort to her. She wanted my touch, maybe a soft kiss or two, but more would have confused her. It hurt not to tell her. It triggered a physical ache deep in my chest that spread up my arms and tightened my veins. You're giving me a heart attack, I thought, as I gently slid her hair out of her eyes and kissed her nose. "I want you to feel better," I whispered. "We're just having fun, right?" "Sure." A smile broke over her peach lips. "Oh God, I was just thinking of that girl you used to date. Tiffany? I think she was Japanese?" "Teresa." Rebecca's brows knit together. "She was so mean to me. I never understood why she was such a bitch." I laughed. "She wasn't that mean?" "Not to you!" Rebecca exclaimed. She turned bright red when she realized how loud her voice went. We'd been whispering together on the couch for so long that she actually put her hand to her mouth. We giggled together, as if somehow we were interrupting an invisible crowd of people in our secluded apartment. "Not to you," she repeated, more quietly. She idly drew her fingers through my hair. "You had her wrapped around your finger. But she always gave me these looks. She rolled her eyes whenever I said something. I felt like I was offending her in some secret lesbo code." "I didn't have her wrapped around my finger?" I murmured. "Oh shut up," said Rebecca. "She was so into you." I shrugged. "Maybe she felt threatened by you." "Why?" It was my turn to play with her hair. "Because she knew I was protective of you. I had to leave a date once to pick you up from the club. Do you remember?" "Ugh," the girl moaned. "Barely. That was a bad night." She gripped my hand?sliding mid-way through her purple tress?and squeezed. "Thank you." I squeezed back. "She thought we were sleeping together." Rebecca's eyes bugged out. "Seriously? Oh, that explains a lot." She scooted down on the couch and moved my hand from her hair to the space just below her breast. It was provocative. Deliberate. And she gave me a mischievous little grin when she did it, as if to say, "Your ex's worst fear has finally come true." Of course I knew that wouldn't happen. Rebecca didn't want to sleep with me. I kept reminding myself that, hoping she'd prove me wrong. When Brie receives a large, attachable "finger" that enhances sensation, the first thing she does is stick it on her clit. When it works as planned she proceeds to use it and abuse it, then shares the fun with her best friend and co-worker, Erica, who went to investigate why Brie missed an entire day of work. This story contains explicit depictions of sex between two women with the help of an attachable, feeling "finger." All six stories in the Futanari Experiments series are included in this collection. Follow Erica and Brie from their acquisition of a wondrous device that allows them to experience the joys of penetration, to becoming actual futanari, and then Erica's eventual pregnancy at Brie's hands.

Every story within contains explicit sex. This book is purely a work of fiction and derives solely from the imagination of the author. It is based solely on popular fictional archetypal characters. There is no relation whatsoever to any real person, group or other identifier in the modern world. A Futanari as described in this book is purely an invention of imagination as I have defined the characteristics of the characters in this story. The book is designed for erotic enjoyment with characters that live only in the mind and imagination of the reader. *** The story begins with Angelica and Erica, two new college students at freshman orientation who meet by accident and decide to explore becoming roommates. Erica is a bisexual girl whose predilection skews toward girls, and Angelica is a girl from a small community up in the mountains toward Lake Tahoe. The girls hit it off, but is it just a friendly attraction or something else? As the girls discover more about each other and Angelica's friends and family in and around the Bay area, Erica begins to meet and seduce the women and couples living in their condominium building. Erica soon discovers some amazing differences in physiology, and though an amazing elixir, discovers her propensity for physical change. As the women and couples in the building discover more about each other, and they explore their erotic worlds together, some aspects conventional, others far from it. Erica begins to experience change, the kind born of her new status as a converso, and the power and confidence that comes from her transition from a regular to a futa. She has never experienced such power, freedom and dominion over others, and her singular drive to gather women and couples around her to experience her own joy. The experiences and new lifestyle are not without their own challenges, and the futa world, the futanari world, is highly structured and hierarchical, something against which Erica rebels and the injustices it has historically caused. The caste system is wrong to her, and she eventually finds a powerful ally who sees the world as she does. Along the way in Book One of the Futanari series, you will meet new characters all of whom share this mythical world of a race we can only imagine. The futas are aggressive, larger than life and very promiscuous. If you enjoy erotica, sit back and enjoy Volume One of The Futanari series paranormal erotica at its finest. FUTANARI SEX ED 3: EXTRA CREDIT is over 17,000 words of hot threesomes and gangbangs between horny futanari and their naughty female partners. ~~~~~ PG Excerpt ~~~~~ ?Is she one of your students?? a teammate near the back asked. ?Does Melissa give you a hard time in class?? she asked mischievously, the meaning behind her question not lost on Leslie. ?Hall, I appreciate the support, but you need to leave. You don't belong here.? ?Yes, I do!? she insisted. ?You guys need all the encouragement you can get. You're dying out there. I'm here to tell you-? ?To tell us what?? Psycho Cin asked, cynicism permeating from every word. She glared at the teen with hard, silver eyes. The sides of her head were shaved and her hair styled up in a shiny, red-tipped mohawk. ?To try harder? To believe in ourselves?? She threw her towel on the floor. ?They're laughing at us out there. This team is a joke. We are a joke.? This set off a wave of arguments. The fifteen teammates hurled insults at one another, and some even started throwing kneepads and helmets. The tension had clearly reached the tipping point, and in the middle of it all was little Leslie Hall. Leslie couldn't bear the thought of the Roughnecks skating out to the track and being laughed at like in the first half of the game. ?Roughnecks!?! she yelled, surprising herself as her voice cut above all the bickering. ?There's no point fighting like this. The Assassins have been whipping your butts for half an hour straight, but you still have the second half to turn this around,? she insisted, trying to meet each one in the eye. ?You guys can do so much better! Look at how big and strong you all are; that's why you're called the Roughnecks! All you have to do is give it all you've got, and I know you can come out on top and beat those Assassins!?! ?Oh, you do?? one of them asked. ?Aren't we lucky, girls, to have the support of this random teenager?? ?What makes you think we're going to turn this around?? another woman asked. ?Do you think your little high school pep talk is what we need?? This gave her pause. Leslie had an idea about what she wanted to say next, but hesitated. Every eye was on her, waiting. Leslie looked at Ms. Hawke, who gave her an encouraging nod. It was then that she realized what she was here for. She knew how to pass this assignment, and with flying colors. All she had to do was get this team to win. ?If...? she began, feeling herself grow excited at the idea. ?If you guys win, I'll be here to celebrate with you. Your number one fan, right here in the middle of the locker room, helping every single one of you celebrate your victory.? The teen made sure she met each woman's eyes, holding it there until the message was loud and clear. What am I doing? This is crazy. There's fifteen of them, and only one of me! Once it clicked, every skater's eyes widened. Every last angry or dejected expression changed to one of excitement. Old foes started sharing smiles. Some bit their lips with anticipation. ?So?? Leslie asked. ?Are you guys in?? They all nodded. ?We'll go hard,? Ms. Hawke said, her eyes glimmering with

excitement. ?If you promise the same after we win.? When Abby becomes part of the wealthy Montgomery family, she can't deny her attraction for her stepbrother, Jonathan.
