Pablo Neruda (1904-1973) was the greatest Latin American poet of the 20th century. A prolific, inspirational poet, he wrote many different kinds of poems covering a wide range of themes, notably love, death, grief and despair. Recipient of the Nobel Prize for Literature and the International Peace Prize "The call for a more accessible collection of Neruda's important poems is answered with *City Lights' The Essential Neruda*, a 200-page edition that offers 50 of Neruda's key poems."-- The Bloomsbury Review This bilingual collection of Neruda's most essential poems is indispensable. Selected by a team of poets and prominent Neruda scholars in both Chile and the U.S., this is a definitive selection that draws from the entire breadth and width of Neruda's various styles and themes. An impressive group of translators that includes Alistair Reid, Stephen Mitchell, Robert Hass, Stephen Kessler and Jack Hirschman, have come together to revisit or completely retranslate the poems; and a handful of previously untranslated works are included as well. This selection sets the standard for a general, high-quality introduction to Neruda's complete oeuvre. " ...The Essential Neruda will prove to be, for most readers, the best introduction to Neruda available in English. In fact, I can think of few other books that have given me so much delight so easily. At only 234 pages (bilingual), it somehow manages to convey the fullness of Neruda's poetic arc: Reading it is like reading the autobiography of a poetic sensibility (granted, the abridged version)."--The Austin Chronicle "This book is a must-have for any reader interested in a definitive sampling of the most essential poems by one whom many consider one of the best poets of the 20th century."--Mike Nobles, Tulsa World "What better way to celebrate the hundred years of Neruda's glorious residence on our earth than this selection of crucial works-- in both languages -- by one of the greatest poets of all time. A splendid way to begin a love affair with our Pablo or, having already succumbed to his infinite charms, revisit him

passionately again and again and yet again."--Ariel Dorfman, author of *Konfidenz* and *The Nanny and the Iceberg* "If the notion had struck Pablo Neruda, I am quite sure that like Fernando Pessoa and Antonio Machado he would have given birth to what the former called heteronyms. Like Pessoa especially, Neruda can be several poets according to where he is and when and what his mood might be. It is quite fitting therefore that his work in this anthology be shared by various translators, for, ideally, a translator is but another heteronym speaking in a different tongue and at a different time. Neruda is well served here by these other voices of his."--Gregory Rabassa "The editors and translators know how to extract gold from a lifetime of prolific writing. If you want a handy Neruda companion and don't know where to begin, this is it."--*The Bloomsbury Review* Offers a selection of the poems Neruda wrote about everyday objects, combining Marxist principles with innovative poetic techniques, in the original Spanish with parallel English translations Nobel Prize winner Pablo Neruda wrote often about the natural world and the beloved objects he surrounded himself with. In this beautiful printing of Poirot's classic work—featuring new scans from newly made prints—we come to know the poet's magical world through his poems, his houses, the wonderful things he collected, and his friends. "Laughter is the language of the soul," Pablo Neruda said. Among the most lasting voices of the most tumultuous (in his own words, "the saddest") century, a witness and a chronicler of its most decisive events, he is the author of more than thirty-five books of poetry and one of Latin America's most revered writers, the emblem of the engaged poet, an artist whose heart, always with the people, is literally consumed by passion. His work, oscillating from epic meditations on politics and history to intimate reflections on animals, food, and everyday objects, is filled with humor and affection. This bilingual selection of more than fifty of Neruda's best poems, edited and with an introduction by the distinguished Latin American scholar Ilan Stavans and brilliantly translated by an array of well-known poets, also includes some poems previously unavailable in English. *I Explain a Few Things* distills the poet's brilliance to its most essential and illuminates Neruda's commitment to using the pen as a calibrator for his age. A selection of poems by twentieth-century, Latin-American poet Pablo Neruda, written between 1925 and 1959; presented in Spanish with English translations on facing pages. Describes the life and times of the Nobel Prize-winning Chilean poet. Brilliant English translation of beloved poems by Pablo Neruda, who is the subject of the film *Neruda* starring Gael García Bernal and directed by Pablo Larraín A Penguin Classics Deluxe Edition, with French flaps First published in 1924, *Veinte poemas de amor y una canción desesperada* remains among Pablo Neruda's most popular work. Daringly metaphorical and sensuous, this collection juxtaposes youthful passion with the desolation of grief. Drawn from the poet's most intimate and personal associations, the poems combine eroticism and the natural world with the influence of expressionism and the genius of a master poet. This edition features the newly corrected original Spanish text, with masterly English translations by award-winning poet W. S. Merwin on facing pages. • Includes twelve sketches by Pablo Picasso • New introduction by Cristina García For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators. A bilingual collection of 25 newly translated odes by the century's greatest Spanish-language poet, each accompanied by a pair of exquisite pencil drawings. From bread and soap to a bed and a box of tea, the "odes to common things" collected here conjure up the essence of their subjects

clearly and wondrously. 50 b&w illustrations. The most comprehensive English-language collection of work ever by "the greatest poet of the twentieth century-in any language" (Gabriel García Márquez) In his work a continent awakens to consciousness," wrote the Swedish Academy in awarding the Nobel Prize to Pablo Neruda, author of more than thirty-five books of poetry and one of Latin America's most revered writers and political figures-a loyal member of the Communist party, a lifelong diplomat and onetime senator, a man lionized during his lifetime as "the people's poet." Born Neftali Basoalto, Neruda adopted his pen name in fear of his family's disapproval, and yet by the age of twenty-five he was already famous for the book *Twenty Love Poems and a Song of Despair*, which remains his most beloved. During the next fifty years, a seemingly boundless metaphorical language linked his romantic fantasies and the fierce moral and political compass-exemplified in books such as *Canto General*-that made him an adamant champion of the dignity of ordinary men and women. Edited and with an introduction by Ilan Stavans, this is the most comprehensive single-volume collection of this prolific poet's work in English. Here the finest translations of nearly six hundred poems by Neruda are collected and join specially commissioned new translations that attest to Neruda's still-resounding presence in American letters. The most comprehensive English-language collection of work ever by "the greatest poet of the twentieth century--in any language" (Gabriel Garcia Marquez) "In his work a continent awakens to consciousness." So wrote the Swedish Academy in awarding the Nobel Prize to Pablo Neruda, the author of more than thirty-five books of poetry and one of Latin America's most revered writers, lionized during his lifetime as "the people's poet." This selection of Neruda's poetry, the most comprehensive single volume available in English, presents nearly six hundred poems, scores of them in new and sometimes multiple translations, and many accompanied by the Spanish original. In his introduction, Ilan Stavans situates Neruda in his native milieu as well as in a contemporary English-language one, and a group of new translations by leading poets testifies to Neruda's enduring, vibrant legacy among English-speaking writers and readers today. Born in Chile in 1904, Pablo Neruda first won recognition as a poet at the age of sixteen. Beginning in the twenties, the Chilean government sent him on a series of consular missions. His active role in radical politics from 1936 on resulted in conflict with the government, expulsion, and exile. He returned to Chile in 1953, enveloped in a cloud of political controversy, but firmly established as one of the two or three leading poets of Latin America. This selection, with facing Spanish texts, covers the period from 1925 through 1960 and includes poems the three series of "Residencia en la tierra", "Canto general", three books of "Odes", "Navegaciones y regresos" and "Estravagario" -- clearly showing the scope of Neruda's writing from the polemical and affirmative to the most surreal, irrational, and hermetic. The penetrating Introduction by Luis Monguió thoroughly discusses Neruda's position in both literature and politics, and Ben Belitt's Foreword explores Neruda's style and poetics. -- From publisher's description. This superb bilingual anthology highlights the posthumous legacy of Pablo Neruda, the great Chilean poet and Nobel laureate, who left a vast body of unpublished work when he died in 1973. Ben Belitt, a distinguished poet in his own right, is widely regarded as the leading translator of Neruda into English. Here he has given us a Neruda as fecund and engaged as ever, ceaselessly spinning the strands of his great, seamless life's work. A Finalist for the PEN/Bograd Weld Prize for Biography The most definitive biography to date of the poet Pablo Neruda, a moving portrait of one of the most intriguing and influential figures in Latin American history Few poets have captured the global imagination like Pablo Neruda. In his native Chile, across Latin America, and in many other parts of the world, his name and legacy have become almost synonymous with liberation movements, and with the language of erotic love. Neruda: The Poet's

Calling is the product of fifteen years of research by Mark Eisner, writer, translator, and documentary filmmaker. The book vividly depicts Neruda's monumental life, potent verse, and ardent belief in the "poet's obligation" to use poetry for social good. It braids together three major strands of Neruda's life—his world-revered poetry; his political engagement; and his tumultuous, even controversial, personal life—forming a single cohesive narrative of intimacy and breadth. The fascinating events of Neruda's life are interspersed with Eisner's thoughtful examinations of the poems, both as works of art in their own right and as mirrors of Neruda's life and times. The result is a book that animates Neruda's riveting story in a new way—one that offers a compelling narrative version of Neruda's life and work, undergirded by exhaustive research, yet designed to bring this colossal literary figure to a broader audience. "This bilingual volume is the definitive collection of the poetry of Pablo Neruda, the 1971 Nobel Prize winner, 'our great Latin-American Whitmanesque father'(Library Journal), and one of the most profoundly influential poets of the twentieth century. His love poems are earthy and transcendent, and his political poems are the work of a man as incisive, impassioned, and ferociously intelligent as he was sensual."--Back cover. Celebrating the works of a great Chilean poet, this collection offers a vibrant translation of Neruda's sensual and erotic poetry. Famous for his politically engaged lyrics, the Nobel Laureate also wrote bold and sexual sonnets, and this compilation captures the spirit and verbal dexterity of the lesser-known genre. These sonnets from one of the most influential and beloved 20th-century poets accompany questions for discussion and lists of recommended readings and related websites. Poems dealing with the soiled aspect of the human condition and the sumptuous appeal of the tactile are presented in Spanish and English. New Directions celebrates the Pablo Neruda Centennial. The most definitive biography to date of the poet Pablo Neruda, a moving portrait of one of the most intriguing and influential figures in Latin American history Few poets have captured the global imagination like Pablo Neruda. In his native Chile, across Latin America, and in many other parts of the world, his name and legacy have become almost synonymous with liberation movements, and with the language of erotic love. The result is a book that animates Neruda's riveting story in a new way—one that offers a compelling narrative version of Neruda's life and work, undergirded by exhaustive research, yet designed to bring this colossal literary figure to a broader audience. Neruda's Spanish text is presented with in face translations in this comprehensive collection of his works. Neruda's Spanish text is presented with in face translations in this comprehensive collection of his works Pablo Neruda's two books - 100 Love Sonnets and Twenty Love Poems and a Song of Despair are kept in one book. Neruda's lost poems, never before translated, are presented in a Spanish-English edition and illustrated with full-color reproductions of handwritten originals Collection of poems by the Chilean poet contains analysis. Works of the Spanish poet, in Spanish and in English, with annotations and introductory essays. A selection of Pablo Neruda's poems, translated from Spanish to Persian (Farsi). This book contains Neruda's resonant, exploratory, intensely individualistic verse, rooted in the physical landscape and people of Chile. Here we find sensuous songs of love, tender odes to the sea, melancholy lyrics of heartache, fiery

political statements and a frank celebration of sex. This is an enticing, distinctive and celebrated collection of poetry from the greatest twentieth century Latin American poet. Sensual, earthy love poems that formed the basis for the popular movie *Il Postino*, now in a beautiful gift book perfect for weddings, Valentine's Day, anniversaries, or just to say "I love you!" Charged with sensuality and passion, Pablo Neruda's love poems caused a scandal when published anonymously in 1952. In later editions, these verses became the most celebrated of the Nobel Prize winner's oeuvre, captivating readers with earthbound images that reveal in gentle lingering lines an erotic re-imagining of the world through the prism of a lover's body: "today our bodies became vast, they grew to the edge of the world / and rolled melting / into a single drop / of wax or meteor...." Written on the paradisaical island of Capri, where Neruda "took refuge" in the arms of his lover Matilde Urrutia, *Love Poems* embraces the seascapes around them, saturating the images of endless shores and waves with a new, yearning eroticism. This wonderful book collects Neruda's most passionate verses. Pablo Neruda is one of the world's most popular poets, and *The Book of Questions* is Copper Canyon's all-time best-seller. This updated bilingual edition is entirely re-designed and features a new cover, new interior, and an introduction by translator. In *The Book of Questions*, Neruda refuses to be corralled by the rational mind. Composed of 316 unanswerable questions, these poems integrate the wonder of a child with the experiences of an adult. By turns Orphic, comic, surreal, and poignant, Neruda's questions lead the reader beyond reason into realms of intuition and pure imagination. Tell me, is the rose naked or is that her only dress? Why do trees conceal the splendor of their roots? Is there anything in the world sadder than a train standing in the rain? When Neruda died in 1973, *The Book of Questions* was one of eight unpublished poetry manuscripts that lay on his desk. In it, Neruda achieves a deeper vulnerability and vision than in his earlier work-and this unique book is a testament to everything that made Neruda an artist. "Neruda's questions evoke pictures that make sense on a visual level before the reader can grasp them on a literal one. The effect is mildly dazzling [and] O'Daly's translations achieve a tone that is both meditative and spontaneous." -Publishers Weekly

Pablo Neruda, born in southern Chile, led a life charged with poetic and political activity. He was the recipient of the Nobel Prize in Literature, the International Peace Prize, and served as Chile's ambassador to several countries, including Burma, France, and Argentina. He died in 1973. II. Tell me, is the rose naked or is that her only dress? Why do trees conceal the splendor of their roots? Who hears the regrets of the thieving automobile? Is there anything in the world sadder than a train standing in the rain? XIV. And what did the rubies say standing before the juice of pomegranates? Why doesn't Thursday talk itself into coming after Friday? Who shouted with glee when the color blue was born? Why do very few Nobel Prize-winning poets leave a body of work which remains untranslated into English more than 40 years after their death. Yet this is the case with the great Chilean poet, Pablo Neruda - that is, until the publication of this bilingual edition. The winner of the 1971 Nobel Prize for Literature, Pablo Neruda is regarded as the greatest Latin American poet of the twentieth century. This bilingual edition makes available a major selection of his poems, both in the original Spanish and impressively rendered into English by "his most enduring translator, the poet Ben Belitt" (Robert Creeley). *Fully Empowered* was one of Neruda's favorites among his own works, and he specifically asked his finest translator, Alastair Reid, to translate it into English. Neruda loved this collection partly because it grew from the most fruitful period of his own life but also because it was a representative selection of the vast range of his poetry. The thirty-six poems vary from short, intense lyrics, characteristic Neruda odes, whimsical addresses to friends, and his magnificent meditations on the role of the poet. Within *Fully Empowered* are many poems among the

greatest of Neruda's work, including 'The People', his most celebrated later poem. Mitchell has selected 49 poems and brought them to life for a whole new generation of readers. [He] focuses on the poetry of Neruda's ripeness, from the first book of Elemental Odes, published when he was fifty, to Full Powers, published when he was fifty-eight, eleven years before his death. Full Woman, Fleshly Apple, Hot Moon is a bilingual edition, with the English translation facing Neruda's original Spanish text. --HarperCollins Publishers. "Chilean Pablo Neruda is Latin America's greatest poet and one of the finest ever to have written in the Spanish language. The Peruvian poet, Cesar Vallejo, part Indian and born in a mining village, ranks not far below Neruda. Robert Bly is one of America's foremost poets, and a translator of uncommon brilliance. The combination makes for a priceless volume."—Long Beach Press Telegram From Nobel Laureate Pablo Neruda comes Intimacies--a beautiful companion to On the Blue Shore of Silence--showcasing some of Neruda's most extraordinary love poems, and once again married with Mary Heebner's earthy, evocative paintings. The poems in this collection remind us that love is woven through all life, and that amorous love is only but the tip of such a powerful emotion. This collection presents Neruda at the height of his powers, with some of the most vibrant verses of the twentieth century. --HarperCollins Publishers.
