The Ancient Solitary Reign Sep 24 2022 The young owl Hunter has received a sound basic education in history, geography, natural history, mankind and religion from his parents. His siblings also taught him what is important for survival in the forest. Full of anticipation, Hunter sets out to spend a four-year apprenticeship with one of the experienced specialist owls. But the way to his teacher is long and dangerous. When Hunter arrives, the wise old owl is dead. Now the young Hunter is completely on his own, far faster than he would like to be.
