The #1 text is still the most modern presentation of the subject and gives students tools to develop the problem-solving skills they need for the course, and beyond. From Google's chief economist, Varian's best-selling intermediate microeconomics texts are revered as some of the best in the field. And now students can work problems online with Smartwork5, Norton's online homework system, packaged at no additional charge with the Media Update Editions. In addition to online homework, the texts now include four-color graphs and new interactive animations. After a rigorous update of Problem Sets and Applications, *Intermediate Microeconomics and Its Application* is now available in its Eighth Edition. As with previous editions, this text still offers the most clear and concise introduction to economic analysis of how markets operate. The

author's streamlined approach to the material, and lively new discussions offer students a textbook that is easy to learn from and interesting to read. Instructors will like the additions to the "Further Topics" section, which offer an up-to-date presentation of new topics in microeconomics. The most modern and authoritative text--now with online homework

The most modern and authoritative text--now with online homework
